FROM THE DESK OF CHIEF OF POLICE SCOTT NEWHOUSE

The Odessa Police Department will be taking an extreme interest in those who choose to engage in illegal drug activity no matter how slight one feels the use might be. Illegal drug activity tends to increase other types of crimes in communities that ultimately can have a profound impact on quality of life. The Odessa Police Department's goal is to take a proactive stance, related to illegal drug issue prior to jeopardizing our community. To meet the Police Department's goal in this effort, we are encouraging the community to report behavior that is consistent with illegal drug activity. One way a community member can get involved is to call the telephone number provided: 660-259-6789. When calling this telephone number you may remain anonymous if you choose to, but please provide as much detail as possible about your observation. This issue is a shared community concern, not one strictly for Law Enforcement to manage alone.
