SEVERE WEATHER SHELTER INFORMATION

The Community of Christ, 515 S. 1st Street will continue to be the City severe weather shelter at this time, but under the current situation, we would like for everyone who does not have a basement or storm shelter at home to talk to a neighbor, nearby friends and relatives to see if you might be able to shelter there during severe weather. Try to put together a plan for safe sheltering where there are limited numbers of people. This is just one more thing we can do to make sure we are all safe.

THE APRIL 2, 2020 GENERAL MUNICIPAL ELECTION HAS BEEN RESCHEDULED !!!

Also located at the Community Building at Dyer Park.

BE SMART: DO YOUR PART

To reduce risk and prevent the spread of COVID-19, continue to follow these basic preventative measures:

- ◆ Wash hands often with soap and water for at least 20 seconds or use a hand sanitizer that contains at least 60% alcohol.
- ◆ Avoid touching eyes, nose, and mouth with unwashed hands.
- ◆ Stay home if you are sick.
- ◆ Cover coughs and sneezes using your elbow or shoulder rather than your hands.
- ◆ Clean and disinfect high-touch surfaces frequently.

If you suspect that you have COVID-19 or have been exposed to someone with COVID-19, call your healthcare provider to let them know before seeking care. It is critical that your provider is aware you may have COVID-19 prior to your arrival at a healthcare facility and that you follow all instructions for arriving at a healthcare facility.

(Curtousy of Lafayette County Health Department)
