2025 Street Improvement Plan

The City of Odessa's 2025 Street Improvement Plan is nearly complete, featuring both chip seal maintenance and full asphalt overlay for multiple streets in Odessa. The streets completed with asphalt overlay include areas on Broken Dollar, East Marion, Hereford, Jennings, McDowell, North Russell, North Third, Opera House Ln, Rose Circle, and South Fourth, with Remington Drive and East Benning in progress.

Several streets also received chip seal maintenance to extend their lifespan and improve driving conditions, including areas on Clayton Place, Greenton Circle, Lightner Circle, Moore Place, Mt Hope, and Ozark Shortline Circle. We are as excited as you are to see these freshly improved streets across Odessa and greatly appreciate your patience as we continue to improve our community's infrastructure.
