

COVID-19 Testing

Live Well Buckner - 324 S. Hudson, 816.249.1521
Live Well Concordia - 206 N. Bismark, 660.463.0234

Live Well Carrollton - 300 E 9th Street, 660.329.9005
Live Well Waverly - 608 Missouri Street, 660.493.2262

HCC's Live Well Community Health Centers are offering limited testing for COVID-19. Call a Live Well Center for an appointment if you have symptoms.

You will be screened and assessed to determine if testing is necessary. You **must make an appointment before showing up** at a Live Well Center. **An appointment for screening does not guarantee a COVID-19 test.**

A positive test requires home quarantine for a minimum of 14 days.

Live Well providers offer patients return-to-work notices. Remember, if you have symptoms quarantine until you are seen by a health provider. **Do not go to the emergency room for COVID-19 testing. Call Live Well for an appointment.** If tested, you must also quarantine while you await results.

Patients who test positive will be treated based on CDC/FDA recommendations. Uninsured patients are eligible for Live Well's sliding fee scale discount program.

Clinic Hours:

Well Visits - 8:30 a.m. to 11:30 a.m.

Sick Visits - 1 p.m. to 4 p.m.

Telehealth and telephone appointments now available.
Contact a Live Well Center for more information.
