I & I REDUCTION PROGRAM

IMPORTANT NOTICE!

The City of Odessa will be working this week to conduct tests on sewer lines in Clayton Park and Centennial Hills.

During these tests, a non-toxic, no odor smoke will be introduced into a manhole and forced down the sewer lines to identify areas in need of maintenance.

You may notice smoke rising from the ground in yards, stream banks, storm drains, manhole lids or other similar locations. Smoke MAY enter homes but it is non-toxic, non-staining, and creates **NO FIRE HAZARD**.

Please feel free to call the City of Odessa if you have any questions, or concerns (816-230-5577).

Important Notice! Sewer Smoke Tests Occurring

During smoke testing, a non-toxic, no odor smoke will be introduced into sewer lines to identify areas in need of maintenance. You may notice smoke rising from the ground in yards, storm drains, manhole lids, or other similar locations.

Smoke MAY enter homes but it is non-toxic, non-staining, and creates **NO FIRE HAZARD**. Feel free to call the City of Odessa if you have any questions, or concerns (816-230-5577).
