FENCE

You may place your fence on the property line but you must know exactly where the property line is located. If you are unsure, you may need to obtain a survey.

**** A SITE PLAN MUST BE INCLUDED WITH THIS APPLICATION THAT SHOWS THE PROPERTY LINES AND FENCE MEASUREMENTS****

DETAILED WRITTEN DESCRIPTION OF PROJECT

I hereby certify that I am an authorized agent of the owner and have the owner's consent to enter onto the property to complete the work. As the authorized agent for the owner I grant the Building Official the authority to enter areas covered by the permit. After close review of this application, I further certify that the information provided is true and correct to the best of my knowledge and that the work shall comply with all provisions of laws and ordinances, whether specified or not. The grant of permit does not presume to give authority to violate or cancel the provisions of any federal, state or local law regulating construction or the performance of construction.

If the property of record resides within a Homeowner's Association, please contact the HOA to assure your plans are in accordance with the covenants of the HOA.

An issued permit becomes invalid if the work on the site authorized by the permit does not commence within 180 days of issuance, or if the work on the site is incomplete due to suspension or abandonment 180 days after the work commenced.
