Presentation ~ Missouri State Auditor's Office

The Office of the Missouri State Auditor, Scott Fitzpatrick, held an entrance meeting to explain the audit process and discuss any issues or concerns the officials may have. The board welcomed Tina Harris, Audit Manager, and Pamela Lewis, Sr. Auditor in Charge. Ms. Harris stated that the purpose of this entrance meeting is for introductions, to explain the general procedures of the audit, and to answer any questions the board may have. The authority to perform the audit is under petition, Section 29.230.2 of the Revised Mo. Statutes. The petition required 392 signatures, and the petitioners received 434. All signatures were verified by the Lafayette County Clerk. Under the same state statutes, the state auditor will bill the city being audited for the cost of the audit. Ms. Harris stated that billing will be for actual costs only; there are no profits built into the billing. The

estimated cost will be $85,000 - $135,000, as stated in the petition document signed by the citizens.

Ms. Harris reviewed the sequence of events. A petitioner contacted the MO State Auditor's Office, and there were conversations with them about their concerns, which are confidential. The auditors will hold a meeting with the chief petitioner to review their concerns within the audit period.

Ms. Harris stated that fieldwork will start next week, November 3, and should take three (3) to four (4) months. Ms. Lewis and two (2) staff members will conduct the work. Once the fieldwork is completed, the auditor's office will prepare a draft report, and then an exit conference will be held with the aldermen. The meeting will be held in a closed session at their direction to ensure the report's accuracy and to obtain responses from the board, which is allowed under Sunshine Law subsection 18.

After the auditors receive responses, they will deliver the report, the entire process will take several months. Ms. Harris stated that the period and scope of the audit will focus mostly on the most recent completed fiscal year, ending March 31, 2026, but they are not limited to that. However, they won't look at issues that are more than a couple of years old unless it's an ongoing issue. They will be looking at procedures and policies.

Ms. Harris stated that the auditors won't give an opinion on the city's financial statements, but they may perform overlapping work, such as financial-related tasks. They will review fund balances and transactions within funds, including interfund transfers. This audit will not replace the city's financial statement audit. In addition, they will conduct general compliance work, such as budgeting, contracting, sunshine law, city functions, and management practices, which might include bidding and the use of some of the city's restricted funds, as well as concerns raised by petitioners.

Ms. Harris stated that if anyone else has any concerns, they can call or email the state auditor's office. She asked that you contact their office with those concerns in the next couple of weeks so they can plan their audit work accordingly.

Contact - MO State Auditor Scott Fitzpatrick
website
Hotline form (online: auditor.mo.gov)
Hotline No. (800) 347-8597
E-mail: moaudit@auditor.mo.gov

Ms. Harris said that, due to the confidential nature of their work, once concerns are raised, they cannot discuss their work on those concerns with citizens. They may contact citizens to clarify any concerns brought to them, but they will not discuss what they are finding with them. The report is completely confidential until it is delivered. The final report is the only thing that will be given to the citizens. This is due to RSMo 29.80 under the auditor's oath.
The board had no questions.
Mayor Whitsitt thanked them for the presentation and stated that the city looks forward to working with them.

Presentation ~ Paypoint HR
Karin Campbell, Paypoint HR, presented on the recent job analysis and compensation study and explained how they came up with their recommendation.

Presentation ~ City of Odessa Workforce Strategy
Shawna Camp, City Administrator, presented the strategy proposal and a summary of the compensation study. Several board members continue to have concerns about budget revenue and reserves; they have requested to see projected future costs. They would also like to see it more strategically by position or by department.

Bill No. 2026-33 Introduction and 1st Reading ~ *Amend Off-Street Parking Ordinance*
Mayor Whitsitt read the proposed Ordinance, Bill No. 2026-33, of the proposed ordinance amending Chapter 50, Zoning, of the City of Odessa Code of Ordinances, by repealing and replacing Article III, Off-Street Vehicle Parking and Loading, in its entirety, and removing conflicting off-street parking requirements from certain zoning district sections, first reading.

Motion was made by Alderman Palmer to adopt Bill No. 2026-33, upon its first reading, and proceed to the second reading. Motion seconded by Alderwoman Starr, and carried with the following vote.
Motion carried 5-Aye, 0-No.

Discussion: Alderwoman Finch and Alderwoman Polson discussed the residential dwelling, excluding garages, and on a section stating that the zoning administrator may approve reductions or that documented evidence demonstrates lower parking demand.

Bill No. 2026-33 Introduction and 2nd Reading ~ *Amend Off-Street Parking Ordinance*
Mayor Whitsitt read the proposed Ordinance, Bill No. 2026-33, of the proposed ordinance amending Chapter 50, Zoning, of the City of Odessa Code of Ordinances, by repealing and replacing Article III, Off-Street Vehicle Parking and Loading, in its entirety, and removing conflicting off-street parking requirements from certain zoning district sections, second reading.

Motion was made by Alderman Palmer to adopt Bill No. 2026-33, of the proposed ordinance amending Chapter 50, Zoning, of the City of Odessa Code of Ordinances, by repealing and replacing Article III, Off-Street Vehicle Parking and Loading, in its entirety, and removing conflicting off-street parking requirements from certain zoning district sections, second reading, and approve the bill as an ordinance. Motion seconded by Alderwoman Starr, and carried with the following vote.

Roll call vote as follows:

Alderman Plachte	absent	Alderwoman Wrenn	yes
Alderman Palmer	yes	Alderwoman Polson	yes

Alderwoman Starr yes Alderwoman Finch no

Motion carried 4-Aye, 1-No.

Bill No. 2026-33 became **Ordinance No. 3197**

Resolution No. 2026-35 ~ Missouri Securities Investment Program

Mayor Whitsitt read the proposed Resolution No. 2026-35 authorizing the Mayor to enter into an intergovernmental cooperation agreement for the investment of public funds through the Missouri Securities Investment Program.

Discussion: Mayor Whitsitt stated that the key is to place the highest investment in the CDs. MOSIP's six-month CD is 4.4%, and Bank of Odessa's six-month CD is 4.04%, both of which are higher than their seven-day or fourteen-day rates. Mayor Whitsitt stated that the key to earning the most interest for the city is to place those funds in those higher-earning CDs. He stated that there is also a company called MOCAT, which is similar to MOSIP and is used by several of our fellow entities as well. MOCAT invests its CDs in a local bank.

Motion was made by Alderman Finch to approve Resolution No. 2026-35, authorizing the Mayor to enter into an intergovernmental cooperation agreement for the investment of public funds through the Missouri Securities Investment Program, seconded by Alderman Palmer.

Motion carried 5-Aye, 0-No.

Resolution No. 2026-36 ~ Bid No. RFP 08-26a ~ Slaker Equip.

Mayor Whitsitt read the proposed Resolution No. 2026-36 authorizing the Mayor to accept the Bid RFP 08-26a of Haynes Equipment Company, Inc., for the replacement of the water treatment plant's lime slaking equipment in the amount of $174,785.00.

Discussion: Darrin Lamb, Superintendent of Streets/Wtr., stated that the city treats water with lime. The process consists of placing pebble lime, mixed with water, into the slaker. It heats up and turns milky. This is dumped into the center column, where it mixes with the water and starts flocculating with iron, calcium, and magnesium. It clumps up and settles out into the basin. That is what pulls everything out of the city water. The slakers are used every day.

Alderwoman Wrenn noted that the bid was significantly lower than the other bids submitted. Mr. Lamb stated that the slaker Haynes is proposing has one grit remover chamber, which he said was fine. He stated that both feed into that chamber instead of having two, and that is where the significant cost was. The other companies wanted two separate slakers. Mr. Lamb stated that one will do the job effectively, and he stated he has worked with Haynes in the past.

Motion was made by Alderwoman Starr to approve Resolution No. 2026-36, authorizing the Mayor to accept the Bid RFP 08-26a of Haynes Equipment Company, Inc., for the replacement of the water treatment plant's lime slaking equipment in the amount of $174,785.00, seconded by Alderwoman Polson.

Motion carried 5-Aye, 0-No.

Discussion ~ Downtown Parking Angle

Shawna Camp, City Administrator, presented a drawing of the downtown parking angles. Scott Vilas of Navigate Bldg. Solutions was present to answer questions. The board thanked Mr. Vilas for his work on this project.

Discussion ~ Downtown Sidewalk Use Policy

Shawna Camp, City Administrator, presented on the newly created downtown sidewalk use policy. The board agreed to remove the section that would require authorization from the City Administrator to add items to the sidewalk. They didn't want to provide an option; they just didn't want to allow it. The only bench allowed to remain as is is the one in front of the downtown Odessa Bank. The board approved that bench several years ago. Staff will revise the ordinance and bring it back to the board at the next meeting.

Aldermen ~ Request for New Items

None.

Shawna,

Officers worked over **704 incidents** in October.

Codes Enforcement is currently working **43 active** enforcement cases. Codes Enforcement has **closed 12** cases in September and has **closed 140** cases for 2026. Codes Enforcement opened **10 new** enforcement cases for October 2026.

I'm proud to announce the completion of our first **Community Emergency Response Team (CERT) basic training class!** Eight (8) volunteers completed the 24-hour instructional course covering disaster preparedness, communications, basic first aid, CPR, peer support, utility controls, terrorism awareness, light search and rescue, and fire safety. The goal is to build a trained group of community members who can assist with basic disaster response, preparedness education, and support for emergency operations during large-scale incidents. These volunteers will serve as an additional resource to professional emergency responders and help strengthen our community's emergency preparedness capabilities.

The Odessa Police Department is preparing for the **retirement of K9 Hawkeye** in December 2026, when he will turn nine years old. Hawkeye has been a wonderful member of our department, serving alongside Sgt. Derek Zarda. Our K9 program began in 2018 through a successful community fundraising campaign that raised the necessary funds to purchase Hawkeye and provide handler training. Hawkeye has served our department and community for nearly eight years and, upon retirement, will enjoy a well-deserved life of relaxation at home with Sgt. Zarda. While Hawkeye is retiring, we remain committed to continuing our K9 program. After the first of the year, we plan to launch a new community fundraising campaign to help purchase and train our next police K9. We will also select a new K9 handler from within the department to lead the next chapter of the program. We are grateful for Hawkeye's years of service, Sgt. Zarda's dedication, and the continued generosity and support of our community.

We assisted with the **Odessa Marching Band Invitational**. It was a great event, with thousands of guests in attendance. The event was well-organized, and we experienced no significant issues.

Our department participated in the **downtown Halloween event** sponsored by the Odessa Chamber of Commerce. The weather was fantastic! I estimate that thousands of children and families came out to trick-or-treat at the event. It was great to see such a wonderful turnout!

The Odessa Police Department recently **implemented additional security measures** to better protect employees and improve building security. The front entrance is now secured with an electronic locking system, requiring visitors to communicate with department staff through a video intercom before being granted access to the lobby. Once staff have identified the visitor and determined the purpose of their visit, they can remotely unlock the door. These improvements were made to prevent unauthorized entry and reduce the risk of someone entering the facility

with the intent to cause harm. There are times during normal business hours when civilian employees are working in the facility without a sworn police officer present. In the past, these employees have encountered individuals who were agitated or potentially dangerous. The new system provides an additional layer of protection for our employees while allowing the department to continue serving the public.

Blue Valley Public Safety conducted the **annual storm siren maintenance**. Our storm siren system consists of one (1) siren purchased and installed in 2013, one (1) siren purchased and installed in 2014, and three (3) sirens purchased and installed in 2019. None of our sirens are currently under warranty. Preventive maintenance and monthly testing are conducted, but without warranty coverage, it is advisable to have a maintenance agreement in place to repair and service the system. The estimated replacement cost for each of our existing storm sirens is approximately $35,000, representing a total replacement value of approximately $175,000. Having a maintenance agreement helps extend the life of the equipment and protect these valuable assets. The maintenance report is attached.

We participated in the October **National Prescription Drug Take Back event**. The U.S. Drug Enforcement Administration (DEA) hosts this event twice each year to provide residents with an opportunity to safely and anonymously dispose of unused or unwanted prescription medications. Too often, unused prescription drugs find their way into the wrong hands, which can lead to dangerous and sometimes tragic consequences. During this event, our department collected nearly 100 pounds of prescription medications, which were delivered to the DEA in Kansas City for proper disposal.

Captain "Bubba" Liese and I attended the **Midwest Public Risk annual conference** in Branson, Missouri. The theme this year was *"Resilient by Design: Built for Change. Grounded in Purpose."* Some of the sessions we attended focused on the use of artificial intelligence in government, employee retention, and leadership engagement. I was happy to have a member of my command staff attend this conference with me and learn valuable risk management strategies.

I attended the quarterly Pioneer Trails Regional Planning Commission **Transportation Advisory Committee meeting**. MoDOT representatives attended and provided information on upcoming projects, including the Improve I-70 project. I learned at this meeting that the upcoming closure, redesign, and construction associated with the MO 13 Highway project between Warrensburg and Higginsville are expected to begin in March 2027. This project will include traffic detours that are expected to direct additional traffic through Odessa via the MO 131 Highway corridor.

Josh Thompson

BILL NUMBER: 2025-16 **ORDINANCE NUMBER: 3156**

AN ORDINANCE OF THE CITY OF ODESSA, MISSOURI, REPEALING ORDINANCE 3104 IN ITS ENTIRETY; ADOPT AN ORDINANCE TO ESTABLISH A PROCEDURE TO DISCLOSE POTENTIAL CONFLICTS OF INTEREST AND SUBSTANTIAL INTERESTS FOR CERTAIN MUNICIPAL OFFICIALS.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF ODESSA, MISSOURI AS FOLLOWS:

Section 1. Declaration of Policy. The proper operation of municipal government requires that public officials and employees be independent, impartial and responsible to the people; that government decisions and policy be made in the proper channels of the governmental structure; that public office not be used for personal gain; and that the public have confidence in the integrity of its government. In recognition of these goals, there is hereby established a procedure for disclosure by certain officials and employees of private financial or other interests in matters affecting the city.

Section 2. Conflicts of Interests. The mayor or any member of the Board of Aldermen, who has a substantial personal or private interest, as defined by state law, in any bill shall disclose on the records of the Board of Aldermen the nature of his interest and shall disqualify himself/herself from voting on any matters relating to his/her interest.

Section 3. Disclosure Reports. Each elected official, the Chief Administrative Officer, the Chief Purchasing Officer and the general counsel (if employed full-time) shall disclose the following information by May 1, or the appropriate deadline as referenced in Section 105.487 RSMo, if any such transactions were engaged in during the previous calendar year.

a. For such person, and all persons within the first degree of consanguinity or affinity of such person, the date and the identities of the parties to each transaction with a total value in excess of five hundred dollars, if any, that such person had with the political subdivision, other than compensation received as an employee or payment of any tax, fee or penalty due to the political subdivision, and other than transfers for no consideration to the political subdivision; and

b. The date and the identities of the parties to each transaction known to the person with a total value in excess of five hundred dollars, if any, that any business entity in which such person had a substantial interest, had with the political subdivision, other than payment of any tax, fee or penalty due to the political subdivision or transactions involving payment for providing utility service to the political subdivision, and other than transfers for no consideration to the political subdivision.

c. The Chief Administrative Officer and the Chief Purchasing Officer also shall disclose by May 1 for the previous calendar year the following information:

    1. The name and address of each of the employers of such person from whom income of one thousand dollars or more was received during the year covered by the statement;

    2. The name and address of each sole proprietorship that he owned; the name, address and the general nature of the business conducted of each general partnership and joint venture in which he was a partner or participant; the name and address of each partner or co-participant for each partnership or joint venture unless such names and addresses are filed by the partnership or joint venture with the secretary of state; the name, address and general nature of the business

conducted of any closely held corporation or limited partnership units; and the name of any publicly traded corporation or limited partnership that is listed on a regulated stock exchange or automated quotation system in which the person owned two percent or more of any class of outstanding stock, limited partnership units or other equity interests;

3. The name and address of each corporation for which such person served in the capacity of a director, officer, or receiver.

Section 4. Filing of Reports. The financial interest reports shall be filed with the City Clerk and with the Missouri Ethics Commission. The reports shall be available for public inspection and copying during normal business hours.

Section 5. When Filed. The financial interest statements shall be filed at the following times, but no person is required to file more than one financial interest statement in any calendar year:

a. Each person appointed to office shall file the statement within thirty days of such appointment or employment.

b. Every other person required to file a financial interest statement shall file the statement annually not later than May 1 and the statement shall cover the calendar year ending the immediately preceding December 31; provided that any member of the Board of Aldermen may supplement the financial interest statement to report additional interests acquired after December 31 of the covered year until the date of filing of the financial interest statement.

Section 6. Filing of Ordinance. The City Clerk shall send a certified copy of this ordinance to the Missouri Ethics Commission within ten days of its adoption.

Section 7. Effective Date. This ordinance shall be in full force and effect from and after the date of its passage and approval and shall remain in effect until amended or repealed by the Board of Aldermen.

READ TWICE and passed by the Board of Aldermen of the City of Odessa, Missouri, and approved by the Mayor of Odessa this 11th day of August 2025.

BOARD OF ALDERMEN ACTION REPORT

ISSUE: Creation of a Downtown Streetscape and Sidewalk Use Ordinance

ACTION REQUESTED: Introduction and reading of Bill No. 2026-35, amending Chapter 40 of the Code of Ordinances by establishing Article II, Downtown Streetscape and Sidewalk Use.

BACKGROUND:
The Downtown Sidewalk Infrastructure Project is a historic investment in downtown Odessa that has been more than a decade in the making. Approximately five years ago, the City conducted a community focus group to gather input on the project and the future use of downtown sidewalks. Discussions included sidewalk use by pedestrians and business owners, curb heights, parking stalls, ADA accessibility, and the overall functionality of downtown public spaces. Much of this feedback helped shape the improvements now being implemented.

As the project progresses, the City recognizes the importance of establishing reasonable regulations to protect this significant public investment while encouraging an active, attractive, and business-friendly downtown.

The ordinance allows businesses to utilize adjacent sidewalks for temporary activities without obtaining a permit or paying a fee, provided accessibility and safety requirements are maintained.

The overall intent is not to restrict the use of downtown sidewalks, but to establish reasonable expectations that balance pedestrian access, business activity, and the protection of the City's investment. These standards will help preserve the improvements, minimize unnecessary damage and maintenance costs, and ensure the downtown remains welcoming and functional for years to come.

Chapter 40 of the City Code does not require a public hearing for the proposed ordinance. However, should the Board wish to provide additional time for public awareness and input, it may consider approving the first reading and postponing the second reading to a future meeting. This would allow downtown businesses, property owners, and residents an opportunity to review the proposed regulations before final adoption.

FINANCIAL CONSIDERATIONS: No direct fiscal impact anticipated.

BILL NUMBER: 2026-35 **ORDINANCE NO: 0000**

AN ORDINANCE OF THE CITY OF ODESSA, MISSOURI, AMENDING CHAPTER 40 OF THE CODE OF ORDINANCES BY ESTABLISHING ARTICLE II, DOWNTOWN STREETSCAPE AND SIDEWALK USE, TO REGULATE THE TEMPORARY USE OF CITY-OWNED SIDEWALKS AND PROTECT PUBLIC ACCESS AND CITY INFRASTRUCTURE.

WHEREAS, the City of Odessa has invested in improvements to its downtown streetscape, including sidewalks, lighting, pedestrian facilities, and associated public infrastructure; and

WHEREAS, the Board of Aldermen recognizes that active, attractive, and pedestrian-friendly sidewalks contribute to the vitality, character, and economic health of the Downtown District; and

WHEREAS, the City desires to encourage reasonable use of downtown sidewalks for outdoor dining, merchandise displays, seating, decorations, sidewalk sales, and similar activities while maintaining pedestrian accessibility, public safety, and protection of City-owned infrastructure; and

WHEREAS, the Board of Aldermen finds it necessary and appropriate to establish regulations governing the temporary private use of City-owned sidewalks within the Downtown District.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF ODESSA, MISSOURI, as follows:

SECTION 1: Chapter 40 of the Code of Ordinances of the City of Odessa, Missouri, is hereby amended by designating existing Section 40-1 as Article I, In General, and adding a new Article II, Downtown Streetscape and Sidewalk Use, to read as follows:

ARTICLE II. – DOWNTOWN STREETSCAPE AND SIDEWALK USE

Sec. 40-2. – Purpose and applicability.

(a) The purpose of this article is to encourage appropriate use of City-owned sidewalks within the Downtown District while protecting pedestrian accessibility, public safety, City infrastructure, and the City's investment in downtown streetscape improvements.

(b) For purposes of this article, the Downtown District is defined as the area along 2nd Street between Main Street and Dryden Street, and along Mason Street between 1st Street and 3rd Street.

(c) This article shall apply to City-owned sidewalks and associated streetscape improvements located within the Downtown District.

Sec. 40-3. – Sidewalk use and pedestrian access.

(a) Businesses and property owners may make reasonable temporary use of City-owned sidewalks immediately adjacent to their property without obtaining a City permit or paying a fee. Such uses may include tables and chairs, outdoor dining, merchandise displays, sidewalk sales, planters, decorations, temporary signs otherwise permitted by City Code, and similar movable items.

(b) All temporary sidewalk uses shall comply with the following requirements:

1. A continuous, unobstructed pedestrian access route of at least forty-eight (48) inches shall be maintained at all times, unless a greater width is required by applicable law.
2. Accessible building entrances and the routes connecting them to the pedestrian access route shall remain unobstructed.

DRAFT

3. Items shall not obstruct accessible ramps, crosswalks, accessible parking areas or access aisles, fire hydrants, utilities, doors, handrails, or other accessibility features.
4. Items shall not create a trip hazard or otherwise interfere with safe pedestrian travel.
5. Temporary items shall be maintained in safe condition and positioned or secured in a manner that prevents them from tipping, falling, or creating a hazard to pedestrians or vehicles.

(c) Outdoor dining, customer seating, and the service of food and non-alcoholic beverages shall be permitted on sidewalks immediately adjacent to the business, provided pedestrian access is maintained and all applicable health, safety, and accessibility requirements are met. Alcoholic beverage service shall be governed by Section 40-5.

(d) The City shall not regulate the color, style, theme, or aesthetic design of temporary decorations, furnishings, or displays except when necessary to address public safety, accessibility, infrastructure protection, or compliance with City Code.

(e) All temporary sidewalk uses shall comply with the infrastructure protection requirements of Section 40-4.

Sec. 40-4. – Protection of City infrastructure.

(a) No privately owned item shall be permanently affixed to City-owned sidewalks or streetscape infrastructure~~without prior written authorization from the City~~. No person shall drill, bolt, screw, nail, stake, anchor, penetrate, glue, paint, weld, or otherwise permanently attach an item to sidewalks, curbs, bollards, streetlight poles, benches, handrails, electrical facilities, or other City-owned streetscape infrastructure~~without such authorization~~.

(b) No signs, banners, decorations, advertisements, or other materials shall be taped, tied, hung, fastened, or otherwise attached to any accessibility handrail, whether temporarily or permanently. Handrails shall remain free of attachments and obstructions at all times.

(c) All sidewalk uses shall be conducted in a manner that protects underground electrical and other utility infrastructure.

(d) Flags or banners may be temporarily attached to City-owned streetlight poles only with prior written approval of the City Administrator or the City Administrator's designee. Approval shall be obtained annually and may establish reasonable requirements regarding location, attachment method, duration, size, condition, or removal to protect City infrastructure and public safety.

(e) Any person responsible for damage to City-owned sidewalks, utilities, or streetscape improvements resulting from a private use may be held responsible for the City's reasonable costs of repair or replacement, to the extent authorized by law.

Sec. 40-5. – Alcoholic beverage service.

(a) Permission to use a City-owned sidewalk for outdoor dining shall not constitute authorization to sell, serve, possess, or consume alcoholic beverages on City property.

(b) A business seeking to include a City-owned sidewalk within its licensed premises shall obtain all licenses and approvals required by the State of Missouri and separate authorization from the Board of Aldermen. Upon Board approval, written authorization shall be provided by the City Clerk.

DRAFT

(c) City authorization may establish reasonable conditions regarding the area authorized for use, pedestrian access, furnishings or barriers, hours of operation, insurance, public safety, and compliance with applicable liquor laws.

Sec. 40-6. – Maintenance, snow, and ice.

(a) Adjacent property owners and business operators shall be responsible for routine cleaning and removal of litter, debris, snow, and ice from the sidewalk immediately adjacent to their property or business. Businesses shall also be responsible for cleaning and maintaining areas used for outdoor dining, merchandise displays, or other private activities.

(b) Snow and ice shall not be deposited in curb ramps, crosswalks, accessible parking areas or access aisles, pedestrian routes, or against City infrastructure in a manner that obstructs access.

(c) Snow-removal equipment, ice-removal products, and methods shall be used in a manner that reasonably avoids damage to sidewalks and streetscape improvements. Property owners and businesses are encouraged to use concrete-safe materials, such as clean sand for traction and calcium magnesium acetate (CMA) for ice removal, and non-damaging snow-removal methods, including plastic-edged shovels and rubber-bladed equipment. Rock salt (sodium chloride) and other chemical deicing products known to deteriorate concrete are discouraged. Any deicing product used shall be suitable for concrete surfaces and applied in accordance with the manufacturer's recommendations.

(d) The City shall remain responsible for structural maintenance and repair of City-owned sidewalks and City-installed streetscape infrastructure. The City shall continue normal street sweeping and snow-removal operations within public streets and parking areas but shall not provide routine snow or ice removal from sidewalks adjacent to individual properties or businesses.

Sec. 40-7. – City operations, special events, and temporary restrictions.

(a) All private use of City-owned sidewalks shall remain subordinate to their use for public purposes.

(b) The City may require temporary items, furnishings, merchandise, dining areas, decorations, or other private property to be relocated or removed when reasonably necessary for construction, utility work, maintenance, snow removal, emergency response, special events, street or sidewalk cleaning, or other municipal purposes.

(c) The City Administrator or designee may temporarily modify the requirements of this article for City-approved special events when appropriate, provided applicable accessibility and public safety requirements are maintained.

(d) The City may temporarily restrict downtown parking when necessary for snow removal or other municipal operations. When practical, reasonable public notice shall be provided. Parking restrictions and associated enforcement shall be administered in accordance with City Code.

Sec. 40-8. – Administration and enforcement.

(a) The City Administrator and authorized City personnel shall be responsible for administering and enforcing this article.

(b) The City shall seek to work cooperatively with downtown businesses and property owners to encourage appropriate sidewalk use and resolve concerns through voluntary compliance whenever practical.

DRAFT

(c) The City may require immediate relocation or removal of any item that obstructs an accessible route, creates a public safety hazard, threatens City infrastructure, interferes with emergency access, or prevents necessary City operations.

(d) For other violations of this article, the City shall generally provide reasonable notice and an opportunity to correct the condition before taking further enforcement action, unless circumstances warrant immediate action.

(e) The City may remove unauthorized items and recover reasonable removal, repair, or restoration costs when authorized by law.

(f) All private property placed within a public sidewalk shall remain the responsibility of its owner. Permission to use a City-owned sidewalk under this article shall be temporary and revocable and shall not create a lease, easement, exclusive possessory interest, or other property right.

SECTION 2: This Ordinance shall be in full force and effect immediately upon approval.

SECTION 3: If any section, sentence, or clause of this Ordinance is declared invalid or unconstitutional, such declaration shall not affect the validity of the remaining sections, sentences, or clauses.

SECTION 4: The City Clerk is hereby authorized to correct any scrivener's errors made in amending the City Code.
